## **LTFS SERVICES OVER 2,500 INTERNATIONAL SHOPPERS IN FIVE DAYS.**

The American Diabetes Association Convention visited New Orleans in June. The convention brought in over 5,000 international delegates from over 75 different countries. Charter busses visited Tanger Factory Outlet on the Saturday and Sunday of the convention, so international visitors were able to do discount shopping while they were here. Over half of the international delegates utilized the

Tax Free Shopping Program while they were here. With a staff of 12 employees, LTFS worked long hours to ensure all attendees were able to apply for a refund prior to leaving the city. We would like to thank all the stores that stocked up on vouchers to distribute during this crazy week. We will keep all stores informed of upcoming conventions with large international attendance.
